

Cataloguing – Catalogue Details

Pedigrees and performances are supplied for the catalogue by Weatherbys Limited as a service to Tattersalls Limited who are acting in their capacity as agent for the Vendor. The Vendor (or his authorised agent) by agreeing to our terms and conditions accepts that all catalogue details are subject to the approval of the Vendor, who is solely responsible for the accuracy of all information concerning his horse. A proof of the catalogue details is available for the Vendor to download from their Tattersalls Online Account once compiled and later a copy of the catalogue will be sent to the person making this entry. That person is responsible for informing Tattersalls Limited in writing, as soon as possible and in any event prior to the proof deadline stated in the Sales Information Notice, of any errors or omissions. Neither Weatherbys Limited nor Tattersalls Limited accept liability for any loss resulting from any errors or omissions contained in the catalogue details.

NB The vendor is responsible for the accuracy of all information concerning the pedigree, description and health of a Lot.
