

Tattersalls ONLINE

Vendor Media Guide

It is mandatory to upload photos and videos of your Lots entered in Tattersalls Online sales. Photos and videos must be uploaded prior to the sale and are available on the Tattersalls Online website for prospective Purchasers to view. We also use the media provided in our marketing of the online sales.

It is recommended to use a professional videographer to do these for you however, you can do these yourself via most modern smartphones. Tattersalls Online also offers an enhanced entry package where we can arrange for a professional to take photos and videos of your draft at an additional cost of £150 (+VAT) per entry.

The following photos and videos are recommended:

- Side on confirmation image showing all four limbs.
- Photos and/or video from the front and rear of the horse.
- Footage of the horse walking side on - left to right and right to left.
- Footage of the horse walking directly towards and away from the camera.
- Additional photos of all four limbs may also be useful for Vendors of horses in training.
