Vendors of Horses In Training (including Breeze Up Lots) are reminded that where such Lots are referred to Tattersalls for their wind they will normally be tested under ridden exercise at the Warren Hill gallop (see Conditions of Sale 10, 11 and 12). When a Lot so returned is adjudged to be non-returnable to the Vendor, the fee will be added to the Purchaser's account.

15. IMPORT DOCKET SCHEME

- Tattersalls GB has a special agreement with H M. Revenue & Customs (HMRC) to use the "Docket Scheme" for horses being imported for sale at Tattersalls.
- The Docket Scheme allows non-UK Vendors to send their horses to the Sales without having to pay import VAT at the point of entry. It also removes the requirement on the Vendor having to register for VAT in the UK. The Docket Scheme may only be used by Vendors for horses based outside of GB and Northern Ireland.
- Unsold Lots will need to be exported back out of the UK for the import VAT to be zero rated.
