

TATTERSALLS SALES 2024

DECEMBER

STALLION

Lot No.

C.E.M. CERTIFICATE

This certificate must be submitted online before arrival of the Lot at Park Paddocks or at the duplicate or outside standing.

The Vendor or his/her Agent is solely responsible for the accuracy of this certificate.

To be completed by a Veterinary Surgeon:

Stallions which have covered mares during the years 2014-2024 inclusive will **NOT** be accepted for sale unless accompanied by this certificate stating that negative swabs have been obtained from the urethra, urethral fossa and penile sheath **on two occasions at intervals of not less than 7 days, both dated after his last covering and prior to the Sale.** Swabs must be submitted to a Laboratory approved by the Horserace Betting Levy Board (HBLB) in the United Kingdom or to National Approved Laboratories in all other countries and be cultured under both aerobic and microaerophilic conditions or tested by PCR.

Date 1: On the (Date. See above).

Date 2: On the (Date. See above).

As per the dates above, swabs were obtained from the **URETHRA, URETHRAL FOSSA and PENILE SHEATH** of the stallion (Name) and submitted for bacteriological examination for C.E.M. at the..... Laboratory and cultured under both aerobic and microaerophilic conditions or tested by PCR.

The results were negative. Neither Klebsiella Pneumoniae nor Pseudomonas Aeruginosa was isolated.

Signed M.R.C.V.S.
