

Tattersalls Cheltenham Sales - Repository

The Tattersalls Repository is a secure online facility that allows the centralised viewing of pre sale X-Rays and Video Endoscopies.

Veterinarians registered with Tattersalls can view this information via the repository website. Vets must disclose their client at the time of viewing with vendors/consignors being notified of this viewing information by SMS and/or email.

Deadlines and Criteria

- Please note the following acquisition deadlines - X-Rays and Video Endoscopies must be taken on or after the following dates:

Cheltenham Sales – Point-to-pointers & Horses In Training.

- X-Rays – Must be taken with 14 days of Sale
- Scopes – Must be taken with 14 days of Sale

Submission Deadlines

- X-Rays and/or scopes should be submitted to the Tattersalls Repository at least one clear day before the day on which the lot is due to be sold.
- Submissions made after this time will only be accepted at Tattersalls' discretion and will require approval prior to being made available.

Supplementary Submissions

- Subject to the submission deadlines above should any lot's information have already been viewed then supplementary submissions will only be accepted at Tattersalls' discretion and will require approval prior to being made available.
- X-rays must be in DICOM format and videos should be in mp4 format. Full guidelines are attached.
- Once taken, X-rays and video endoscopies can be uploaded to the Repository in advance of your arrival by your veterinary practice. This is available via <https://repository.tattersalls.com/upload>. Alternatively, Tattersalls Staff can assist with this process.
- Notification emails and SMS messages for when your images are viewed can be arranged in the Tattersalls Repository and managed using your Tattersalls online account.
- Full repository rules are available in the front of the catalogue or from <https://secure.tattersalls.com:8443/4DCGI/Sale/Documentation/WSD00211.pdf>
